

PROJECT TITLE : LEGISLATION
PERIOD COVERED : MARCH 25 - MAY 24 1981
WRITTEN BY : Jeanneret-C. (CLJ)

Holland

A warning label and the nicotine and tar content will have to be printed on Dutch domestic cigarette packs.

This statutory order comprises :

- Health warning text "Smoking damages health - Minister of Health and Environment";
- Nicotine and tar content (in this order) in tenths of a milligramme and milligrammes per cigarette respectively.

This legislation will become effective 9 months after publication in March 1982; 3 months' "lead" time is allowed so that in June 1982 all packaging must bear the prescribed texts.
